

REMARKS

The claims have been amended to specify that the delivery is lung-specific; that the agent of interest comprises an active agent component and a transport agent component, wherein the transport agent component comprises an antibody.

CONCLUSION

In view of the above amendments and remarks, it is believed that all claims are in condition for allowance, and it is respectfully requested that the application be passed to issue. If the Examiner feels that a telephone conference would expedite prosecution of this case, the Examiner is invited to call the undersigned.

Respectfully submitted,

HAMILTON, BROOK, SMITH & REYNOLDS, P.C.
